

The Belle Glade Herald

Going To Town...

"Going to town" in the early days meant going to Lauderdale by boat down the North New River Canal, a three-day trip, one going, one trading, and one coming back.

Later, "Going to town" meant bumping over rough roads in a Model "T" or "A" 45 miles to West Palm, which certainly was of a day's duration, with little hope to stop.

There were three telephones in the Lake Harbor-Belle Glade area, responsible radios, and during some storms, no method of communications with the outside world.

It's different now:

We have television, radios in all cars—even radio telephones in field trucks.

We have modern stores—for the family, for ladies, and for the men—we have specialty shops of all kinds.

We have the new cars, even the three small ones just coming out; plus those of foreign make.

The owners, the office force, the salesmen and the mechanics get paid in the Glades and spend a great majority of their income right here.

THEY'RE HELPING US TO HELP US, AND YOU!

Our car dealers all have the '60 models coming out within the next few days, and they have a stock of '59 models left over. In order to get their money out, they're offering BARGAINS in '59 models.

The Glades is a very substantial second-hand car market, so local dealers can afford to allow you a full trade-in on any new car. Trading with glades assures you of an adequate adjustment, if that becomes necessary, and:

YOU'RE HELPING US TO HELP US, AND YOU

Give it a try—DO BUSINESS WITH HOME FOLKS AND LEAVE THE MONEY IN THE GLADES.

Let's make "Going to town" mean "Going down town to shop with the local merchant," and:

"HELPING US TO HELP US, AND YOU!"

South Bay Adopts \$78,785 Budget; Revaluation Nets Little Tax Raises

South Bay councilmen have agreed on a balanced budget at \$78,785 for fiscal 1959-60, according to City Manager Gene Caruthers. Expenditures for the coming year more are much higher than anticipated revenue; however, surpluses from work have enabled the councilmen to work out a budget which will balance.

With property taxes on a 100% basis and a four mill rate on the revenue, revenues from this source were only slightly higher than last year. Biggest drop in anticipated revenues is in the fines and forfeitures department.

Councilmen dropped their estimate from \$25,000 to \$15,500. The \$9,500 A.M. Caruthers said, that the councilmen are out to life the "speed trap" accusations leveled against South Bay for many years since the revenue had been a healthy chunk of the total.

Real property anticipated is \$8,913.60, personal property expected is \$1,775.96. The \$10,689.56 total is \$5,444.05 less than last year. Total anticipated revenue from the general fund is \$66,207.72, balance from previous years \$16,777.12. The \$82,984.84 from the water fund amounts to \$5,800 which makes the total of \$78,785.

Newman said police Chief Marvin Davis and Policeman Rudy Harrell are to be commended for their police work in breaking down one of the apprehended men.

Officer Harrell stopped a car early Saturday morning on a routine investigation. The driver had no operator's license; however, the other boy said he did and took the wheel and drove on. Near the Okeelanta Refinery Road the men, Thomas C. Morgan, 21, and J. W. Real, 22, got out of the car and ditched it in the roadside canal. They struck into the cane fields. Morgan was apprehended.

Another special project for the year will be the selection of a Woman of the Year in the community as chosen from Women of the Month candidates which will be selected by the basic 60 nominations from the community.

Special honors for the Women of the Month and Woman of the Year will be planned and announced later.

All Adult vocational classes are scheduled. Beginner typing Tuesday and Thursday 7:30 to 10 p.m.; Beginner bookkeeping Monday and Wednesday, 7:30 to 10 p.m.; Beginner shorthand Monday and Wednesday, 7:30 to 10 p.m.; Beginner Spanish, Tuesday 7 to 10 p.m.; and Spanish, Friday 7 to 10 p.m.

Classes For Adults Begin Week Of Oct. 5

All Adult vocational classes are scheduled. Beginner typing Tuesday and Thursday 7:30 to 10 p.m.; Beginner bookkeeping Monday and Wednesday, 7:30 to 10 p.m.; Beginner shorthand Monday and Wednesday, 7:30 to 10 p.m.; Beginner Spanish, Tuesday 7 to 10 p.m.; and Spanish, Friday 7 to 10 p.m.

BPW History Coming

Be sure to read the history of the Belle Glade Business and Professional Women's Club in next week's Herald, which will include the projects, accomplishments, aims and goals achieved since the organization of the club.

Office Building Floor Still Bad

The flooring that wants to be a ceiling, one party termed it, is still giving Palm Beach County Commissioners a problem this week. Cork flooring installed in the auditorium of Glades Office Building is still coming up and turning up at the corners despite several attempts to repair it, the county commission learned Monday.

A man floor manufacturer will be contacted to determine what kind of flooring would stick down in the office building.

The owners, the office force, the salesmen and the mechanics get paid in the Glades and spend a great majority of their income right here.

THEY'RE HELPING US TO HELP US, AND YOU!

Our car dealers all have the '60 models coming out within the next few days, and they have a stock of '59 models left over. In order to get their money out, they're offering BARGAINS in '59 models.

The Glades is a very substantial second-hand car market, so local dealers can afford to allow you a full trade-in on any new car. Trading with glades assures you of an adequate adjustment, if that becomes necessary, and:

Cattle Truck Has Upset On SR 15 Driver Is Injured

Several cattle were injured or drowned and some scattered throughout the northern part of the county Monday when a cattle-carrying semi truck trailer overturned at Airport Road and SR 15 about 11:30 a. m., the Florida Highway Patrol reports.

According to Trooper George Emerson, a truck traveling north on SR 15 driven by Cecil J. Kersay, 41, South Bay, drove right to avoid collision with a westbound jeep driven by Norman R. Rives, 53, Belle Glade, which pulled into the intersection.

The truck missed the jeep but overturned on its side, with the truck bed in the water. Four animals were drowned. At least seven animals ran away from the scene and were later found as far away as Okeelanta Center.

Trooper Emerson estimated that the truck was damaged about \$5,000 worth. Kersay was hospitalized for minor injuries.

Heavy Registration Seen For South Bay Election

South Bay voters will choose a police chief and two councilmen at their municipal election Oct. 6 in an unusual election setting for that city. Only incumbent Police Chief Marvin Davis is opposed in the election, which marks the first time in many years that such has been the case.

Incumbent Councilman Henry Elfers, out after his third term, and political newcomer, Buck Cobb, are both unopposed.

Voting, however, could be heavy since last-minute registrants squeezed under the Friday deadline to swell the qualified electors past the 825 mark. Polls at city hall and Lake Theatre will be open 7 a. m. to 7 p. m.

Incumbent Group Two Councilman Ray Sullivan declined to seek a third term.

Elfers came to the Glades in 1950 while Cobb is a Glades native of Westwood, Ga. He has lived in the Glades 13 years. Presently employed at Okeelanta Sugar Refinery, is a former Glades State Prison custodial officer. He is a son-in-law of ex-Mayor S. J. Fisher. He has been a Glades resident since 1930.

Election Law

This year would have been the first test of the city's new election laws approved by the recent legislature. The changes provided groups in which councilmen would seek office instead of the previous at-large election. The police chief's race was changed so that if three or more candidates sought the office, the winner would be elected by a majority of the total vote, not just more votes than the other candidates.

During Elfers' association with the city, he has been a Glades resident since 1930.

AN ARTIST'S CONCEPTION of Belle Glade Masonic Temple, now under construction, shows an iron grill built at the sidewalk, which can be closed to prevent entrance to the building's spacious lobby. Four organizations, and possibly more, will make the building their new home.

Construction Is Well Underway Now For Belle Glade Masonic Lodge Hall

Following the pouring of the floor for the new Belle Glade Masonic Temple in the 300 block of South Main St., the building will be largely finished, corner-stone ceremonies will be held Oct. 10, according to Worshipful Master Robert J. Allen, Jr.

Construction of the \$20,000, one-story lodge building is expected to produce a modern meeting place for at least 100 members of the Masons will be largely finished, corner-stone ceremonies will be held Oct. 10, according to Worshipful Master Robert J. Allen, Jr.

Facilities will be available for Order of Eastern Star, Rainbow Girls and Order of DeMolay meetings in the lobby of the structure. The Eastern Star order will furnish money and facilities for the kitchen and laundry.

Allen said actual costs of the building will be indeterminate due to the large amount of donated work expected. The building will be 50 by 100 feet, which includes a 50 by 60 foot lobby hall. The remainder of the building will contain store rooms, office and preparation room besides a 32 by 38-foot lobby.

Pouring of the 5-inch thick slab of concrete Saturday is expected to take approximately 110 yards of ready-mixed concrete, an amount described as an above average assignment.

George C. Young, Glades Livestock Manager, Belle Glade, is heading the Research and Development Committee of the National Association of Livestock Auction Markets, according to an announcement this week by Cecil Ward, vice president, Gainesville, Texas.

Young's committee will join with other governing bodies of the business trade association of the nation's 2,300 livestock auction markets in an "Industry Trade Association Assembly" at Kansas City on Dec. 12-13.

South Bay councilmen have agreed on a balanced budget at \$78,785 for fiscal 1959-60, according to City Manager Gene Caruthers. Expenditures for the coming year more are much higher than anticipated revenue; however, surpluses from work have enabled the councilmen to work out a budget which will balance.

With property taxes on a 100% basis and a four mill rate on the revenue, revenues from this source were only slightly higher than last year. Biggest drop in anticipated revenues is in the fines and forfeitures department.

Councilmen dropped their estimate from \$25,000 to \$15,500. The \$9,500 A.M. Caruthers said, that the councilmen are out to life the "speed trap" accusations leveled against South Bay for many years since the revenue had been a healthy chunk of the total.

Real property anticipated is \$8,913.60, personal property expected is \$1,775.96. The \$10,689.56 total is \$5,444.05 less than last year. Total anticipated revenue from the general fund is \$66,207.72, balance from previous years \$16,777.12. The \$82,984.84 from the water fund amounts to \$5,800 which makes the total of \$78,785.

Newman said police Chief Marvin Davis and Policeman Rudy Harrell are to be commended for their police work in breaking down one of the apprehended men.

Officer Harrell stopped a car early Saturday morning on a routine investigation. The driver had no operator's license; however, the other boy said he did and took the wheel and drove on. Near the Okeelanta Refinery Road the men, Thomas C. Morgan, 21, and J. W. Real, 22, got out of the car and ditched it in the roadside canal. They struck into the cane fields. Morgan was apprehended.

Power of Prayer

Minister Experiments With Prayer On The Control Of Plant Growth

According to Russell Kay, Editor of the Florida News Service, man has been experimenting with the power of prayer on plants. The specific work about which he recently wrote

Kay says Loehr became interested in the subject as a result of similar experiments being conducted at Duke University.

While this particular phase of the work is a new concept, the use of prayer in the growing of plants, particularly vegetables, is already very in the

Now Rev. Loehr's experiments lead us to believe there may be more to it than a jocular phrase. Referring to the

rate of vigor of plant growth. Thus (2) prayer is an objective energy of some sort, as real sunlight or electricity. Prayer is not merely a state of mind. Also (3) scientific laboratory research can be done in religious fields.

The words of Jesus were: "If ye have faith and doubt not, ye shall not only do this which is done to the fig-tree, but also, if ye say unto this mountain, Be thou removed, and be thou cast into the sea; it shall be done."

Editor Kay comments: "Perhaps, if mankind would give more thought and study to gain an understanding of our spiritual nature, we would discover the power within us and learn to use it intelligently and effectively in the solution of our problems."

To which we could only add:
Amen.

CONSTIPATED?

Medical reports show how folks over 35 can establish regularity

After 35, irregularity often becomes a problem. What you need is something that aids nature and helps *establish regularity*. Such an aid to regularity is the daily use of SERUTAN. Here's medical evidence: A group of men and women took SERUTAN daily under medical supervision. In case after case SERUTAN, taken daily helped *establish regularity*. So, for real relief from constipation after 35, try SERUTAN, powder or granular.

SERUTAN

ON DISPLAY! FRIDAY! SPACIOUS! POISED! BEAUTIFUL! LIVELY!

DISTINCTIVE! SATISFYING! ENDURING! SPLENDID! SPIRITED! JOYFUL! SWEET!

Elegant Impala 4-Door Sport Sedan—one of 16 spanking new Chevrolets you can choose from.

THE SUPERLATIVE '60 CHEVY

This is the one that says, "60 like no other car. From its clean-thrilling ride to its dapper rear deck, there's so much that is new and different about this superlative Chevrolet it stands out from the rest like a fresh-minted coin. And you'll be just as wide-eyed over what's inside—the relaxing roominess, tasteful trim, hushed elegance, all comfortably cradled by Full Coil springs at all four wheels. Yet, sumptuous as this new Chevy is, you'll find new economy of operation, new dependability, new longer life. Here, then, we're confident both you and your budget will joyously agree it's the nearest to perfection a low-priced car ever came!

Here's the car that introduces a whole new decade of design—with so much that's new and different the other owners can only hope to come close. It's the superlative '60 Chevrolet—with new space inside, new spirit under the hood, new splendor in every clean-etched line. Freshly shaped contours rake back from the unified new grille to the jaunty rear deck, fitted with craftsmanship you'd expect only on the most expensive make. Inside, there's room to sprawl in, room to sit tall in—generously provided by Chevrolet's safe-day seats and

extra margin of hat space. And there's even more leg room for the man in the middle—thanks to the way Chevrolet engineers have shaved down the transmission tunnel.

Out on the road, as Chevy's Full Coil ride will persuade you most gently, there's not a car near the price that comes close to the husband-and-wife comfort of the new. And adding to your sense of silence and serenity are thicker, newly designed rubber body mounts that do an even more efficient job of filtering out road shock, tire hum and vibration.

Quiet, quick-responding power is provided by a choice of two standard engines—Chevy's famed Hi-Threshold 6 and a new Economy Turbo-Fire V8 that gets up to 10% more miles out of a gallon of regular while delivering greater engine torque at normal speeds.

Chevy's accent on comfort and convenience even extends back to its easier-to-load (and tremendous) luggage compartment. You'll also find a convenient new parking brake that automatically returns to normal height after application, a new clutch linkage that filters

But, impressive as all this may look in print, there's really only one way to tell how near to perfection this superlative '60 Chevrolet actually comes... and that's to drop in on your dealer and drive one!

See your local authorized Chevrolet dealer

WE SALUTE OUR WOMEN IN BUSINESS

Just picture life today if there were no women at work! Empty offices! Closed stores! Barely-operating plants! In fact, business and industrial life would come to a sudden stop! Women are a vital part of every facet of our economy! They earn more money and spend more money than ever before in history! Our nation and community owe them a vote of thanks!

WE SALUTE THE BUSINESS WOMEN OF OUR COMMUNITY whose daily efforts, in every niche from clerical to professional is indispensable! Many of them are also wives, mothers, homemakers, combining two jobs with humor, skill and dexterity! Their lives are an inspiration!

Department Reports Again Sketch City Workers' Progress And Work

Exigencies of the city's fiscal year budget prevented the release of Belle Glade city department reports until now, according to City Manager C. B. Talmadge. Excerpts from the month of August are contained in the following. Reports covering September are not expected to be ready until the second week in October.

Police Dept.
There were 57 arrests, 46 convictions, two turned over to county authorities, nine dismissed. One of three breaking and entering incidents was cleared by arrest. Fifty-one cases were fingerprinted, filed and classified. Daily jail population average was 20, no prisoners escaped; however, one prisoner escaped from an earlier month was apprehended. Bond and fine money collected amounted to \$2,709.01.

Police Accident
Eight accidents investigated, one person reported injured, damage to vehicles was \$1,430. Of the accidents, most frequent cause listed was failure to yield right-of-way. Other reasons were illegal speed, following too close, backing into traffic and failure to control vehicle.

Game Warden
Twelve complaints about dogs received. Animal Rescue League picked up 21 dogs. Installed 313.350 (previously reported) which is \$228.838 ahead of first eight months of 1958. Hauled 349 loads trash and garbage. Made 363 inspections of various kinds.

Country Club
There were 428 rounds of golf played. Revenue \$180. No extra meetings except civic clubs.

Library
Added two non-fiction, 12 adult fiction and 11 juvenile fiction books. Had 1,022 borrowed.

ed and maintained stop and speed signs.

Water Dept.
There were 19,886,500 gallons of water pumped to mains. Layed 700 ft. eight-inch and 125 ft. six-inch sewer line; worked on Avenue E lines. Sewer lines made new 14; moved 25; cut off 45; turned on 73.

Parks Dept.
Fifteen parties held; also Spanish class each Wednesday. Preschool program planned for Sept. 8 start. Children under four must have adult with them. Request no pets on grounds for safety's sake.

Municipal Pool
No major repairs needed; however, bar at concession stand remodeled. Attendance: 4,201 children; 392 adults; revenue covering September are not expected to be ready until the second week in October.

Lake Shore Pool
No major repairs. Attendance, 644 children; 57 adults for revenue of \$118.40.

Street Dept.
Oiled and sanded 8th St.; graded 5-6-7th Sts. at Lake Park; 187 hours cutting grass with mower; 23 hours with prisoners. Drilled and blasted approximately 8,000 yards of rock. Dug about 3,000 yards of rock. Street sweeper travelled 185 miles on curbs and gutters.

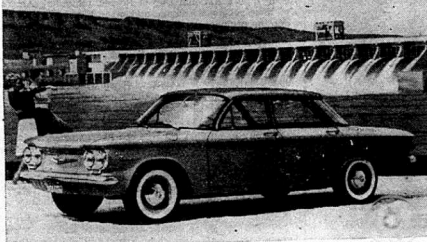

Building-Sanitary Dept.
Total building permit valuation \$138,350 (previously reported) which is \$228.838 ahead of first eight months of 1958. Hauled 349 loads trash and garbage. Made 363 inspections of various kinds.

Country Club
There were 428 rounds of golf played. Revenue \$180. No extra meetings except civic clubs.

Crisp styling and air-cooled engine in CHEVROLET'S COMPACT CORVAIR

An aluminum, air-cooled engine mounted at the rear is among a multitude of mechanical features Chevrolet has originated for its all-new Corvair. A car that seems small only when you park it, the Corvair boasts "big car" roominess and performance due to a long-term engineering study of compact design. Low, fleet styling in accord with American tastes, a unique suspension system and unitized body-frame construction are among other features in the six-passenger four-door sedan. All 1960 Chevrolet cars will be on display in dealer showrooms on October 2.

Corvair's imaginative Corvair, a car that has caused more excitement in automotive ranks than any development in the last 25 years, will be unveiled this week at Glades Chevrolet, Palm Beach County's Oldest Chevrolet dealership, at Belle Glade.

The compact, six-passenger sedan, which offers a host of features new in American-made automobiles, will go on public display at Chevrolet dealers on October 2.

In addition to the Corvair, the dealers will offer a new conventional size 1960 passenger car, details to be released later.

The Corvair is the product of a nine-year research and development program aimed at designing a compact car which is low in initial cost, economical to operate, roomy, easy to handle and provides American standard of comfort, convenience, safety and performance.

Special features include: Power train at the rear of the car. A light-weight six-cylinder "pancake" engine which uses a considerable amount of aluminum. Independent suspension of all four wheels including a "swing" rear axle. Unitized body construction.

A virtually flat passenger compartment floor. Luggage compartment under the hood. Optional folding rear seat-back to provide more luggage space. Low center of gravity. Long cord tires. Airy super-structure. Airplane-type gasoline heater.

that gives almost instant passenger compartment warmth.

Around these achievements of fresh engineering approach, Chevrolet has built a body with maximum interior room and minimum exterior bulk.

The result is a four-door sedan with six-passenger comfort with these dimensions: Wheelbase, 109 inches. Overall length, 180 inches. Height, four feet, three inches. Width, 68.9 inches. Weight, 2340 pounds almost 1,300 pounds less than most conventional-size cars.

The unique six-cylinder engine develops 80 horsepower at 4400 rpm. Bore and stroke are 3.38 x 2.6 and the displacement 140 cubic inches. Compression ratio is 8 to 1 and regular grade gasoline is recommended.

Folks who speed. And speed and speed. May soon be the Undertaker. Need.

Folks who speed. And speed and speed. May soon be the Undertaker. Need.

You Can't Lose On Milks vs Contests

This is a Christmas story... although Christmas is several weeks away. We're reminded, too, that adults as well as the children like to find that "gift under the tree."

Bicycles make the perfect gift for boys or girls... and this year you can save Santa some money if you'll just save your SEALTST milk cartons an intake them in to Jack Royal's Western Auto Store. Drawings on these bikes, given away by Leavins and Holley Dairy, are being held every Saturday afternoon.

For the adults... it's so very easy to win or purchase at low cost a beautiful set of Melmac dishes if you prefer MCARTHUR Jersey Farm Dairy milk. Just ask your driver to show these to you.

Milk and contests are both good medicine for the growing or grown American.

Air Force Reserve Will Meet October 8

Classes will resume October 8th for the Air Force Training classes in the Glades. Meetings are held Thursday evenings at 7:45 in the National Guard Armory. Personnel interested in joining the Reserve flight should attend any of the regular meetings in order to find out the requirements for admission. Any prior service personnel are urged to take this opportunity to become active in our only flight in the Glades.

QUIE...EVOLUTION! ON DISPLAY FRIDAY! HOORAY! SMALL WONDER!

FRIDAY! ASTONISHING! NOTHING LIKE IT! CORVAIR! SMALL MIRACLE! FRIDAY!

THE REVOLUTIONARY Corvair

BY CHEVROLET

There's nothing like a new car—and no compact car like this de luxe Corvair 700.

Here's the car created to conquer a new field—Chevrolet's low-priced compact Corvair. The product of nine years of research and development, the auto industry's most advanced facilities, it's America's first truly compact, economical car that retains the ride and 6-passenger comfort you're used to in a big one.

The key to this small miracle: America's first and only modern rear-mounted aluminum engine—a lightweight 6 that's so revolutionary it can be packaged with the transmission and drive gears as one compact unit.

By putting the engine in the rear, Chevrolet has made the floor practically flat, front and rear. There's plenty of foot room for everybody, including the passengers in the middle.

Shifting engine weight to the rear also makes for smoother, easier compact car handling and gives glued-to-the-road traction on ice, mud or snow.

Corvair's size—some 5 inches lower, 2 1/2 feet shorter and 1,300 pounds lighter than conventional sedans—makes it a joy to jockey through busy streets, a pleasure to park.

Yet, wonderfully practical as all this sounds, you'll find the most practical thing of all about this new Corvair is its remarkably low price. Your dealer's the man to see for all the short, sweet details.

Get up to 30% more miles on a gallon, needs no antifreeze, provides quicker warmup with less wear on parts.

ONE-PIECE POWER TRAIN Wraps rear engine, transmission and differential together into one compact lightweight unit. Takes less room, leaves you more.

Corvair's air-cooled, you never have to fuss with antifreeze. You get quicker warmup with less wear on parts even on the coldest mornings (even heat for passengers comes quicker—almost instantly—from an airplane-type heater).

Yet, wonderfully practical as all this sounds, you'll find the most practical thing of all about this new Corvair is its remarkably low price. Your dealer's the man to see for all the short, sweet details.

Get up to 30% more miles on a gallon, needs no antifreeze, provides quicker warmup with less wear on parts.

America's only car with an airplane-type horizontal engine! America's only car with independent suspension at all 4 wheels! America's only car with an air-cooled aluminum engine!

The engine's in the rear where it belongs in a compact car!

engine's air-cooled, you never have to fuss with antifreeze. You get quicker warmup with less wear on parts even on the coldest mornings (even heat for passengers comes quicker—almost instantly—from an airplane-type heater).

Get up to 30% more miles on a gallon, needs no antifreeze, provides quicker warmup with less wear on parts.

STYLING—PURE AND SIMPLE Clean, uncluttered line shape both 4-door models—the de luxe Corvair 700 and the standard Corvair. Each has its own distinctive trim, and you get more visibility area than in many full-sized cars.

FOLD-DOWN REAR SEAT Works easily, instantly, adding to Corvair's versatility by enlarging rear seat cargo space 57.6 cu. ft.

FLAT FLOOR Corvair is America's only compact car with a practically flat floor, the only one with the kind of relaxing rear seat cargo space 57.6 cu. ft.

UNITIZED BODY BY FISHER Does away with conventional frame, incorporating all structure into a rigid body-frame unit that gives you more inside room with less weight.

CONVENIENT COMPARTMENT Trunk's up front (like an airplane) where it's convenient for groceries, luggage.

DEPENDENT SUSPENSION There's no conventional axle—front or rear. Wheels, clamped by coil springs, take bumps independently of each other, for smooth, road-hugging ride.

Optional extra cost

Burgdorf-Simmons Vows Said

The marriage of Miss Sydney Elizabeth Burgdorf, daughter of Mr. and Mrs. Louis Burgdorf of New Orleans, La., and Dr. Samuel J. Simmons, III, son of Dr. and Mrs. S. J. Simmons of Belle Glade was solemnized July 18. The Rev. L. F. Mochschied, pastor performed the double ring ceremony at the Jackson Avenue United Church of Christ (Evangelical and Reformed) New Orleans, La.

The bride received her B. S. degree in Hematology at Tulane University.

Dr. Simmons received his B. S. degree from University of Florida and his Doctor of Medicine Degree from Tulane University, and is presently internist at Turo Infirmary, New Orleans.

Dulany Home Will Be Dedicated Sunday

Friends of Mr. and Mrs. John A. Dulany and son, Philip, are invited to attend the dedication of their home at 225 N. W. Ave. E. Sunday afternoon.

The Rev. Lee D. Rustin, pastor of Community Methodist Church, will conduct the service. The following period will be from 3 to 5 p. m.

Duplicate Bridge Club

Winners of the Belle Glade Duplicate Bridge Club held at I. D. Walkers Office in play Tuesday night, were first, Mildred Challancin Mildred Pearce; tied for third, Frances Ball, Gladys Williams; Sue Bailey Louise Thorne, and Alice Mixson, Eva Townsend.

Ladies Art Mooney Coming to town. Tell Papa.

PONTIAC'S NEW APPROACH to styling is pronounced by the Bonneville convertible and the Ventura sport coupe, only two in a parade of 16 beautiful models introduced by Pontiac for 1960. Priced just above the Catalina series, the Ventura features special interior appointments, including seats trimmed entirely in Jewel-Tone Morrokide. The Ventura is also available in a four-door hardtop Vista model.

Pontiac For 1960 Available Today

Factory list prices for the 1960 Pontiac line were announced recently by S. E. Knudsen, General Manager, Pontiac Motor Division, and General Motors Vice President.

Pontiac prices have not been increased over 1959 levels although important styling and engineering improvements have been incorporated. Mr. Knudsen disclosed that

the 1960 factory list prices of the heater and radio and other optional equipment have been reduced. With these reductions, he said the price of a 1960 model equipped with popular options can be as much as \$32.00 lower than that of the corresponding 1959 model similarly equipped.

Mr. Knudsen said that an oil filler has been added as standard equipment on all 1960 models at no extra cost. The oil filler was available on 1959 models at a list price of \$9.00.

The new Pontiacs will go on sale at dealers' showrooms across the country today. Mr. Knudsen also announced an addition to the 1960 line, a new series, the Ventura, which will be offered in two and four-door hardtop models. The series will be on a 123" wheelbase and will be priced between comparable body types of the Catalina and Star Chief series.

Planning Program At East Lake High

September rolls around and school begins. Good planning and good organization make for a successful school year. Each teacher makes individual plans of work for the year, for the week, and for the days of the school year.

These individual teachers of a total school faculty must work on some commonly agreed goals or philosophy in order to be unified in purpose.

On Thursday, September 23, 1959, the East Lake School was visited by Mrs. M. H. Fields, Specialist in Elementary Education, State Department of Education and Mr. W. E. Combs, Specialist in Secondary Education, State Department of Education of Tallahassee, Florida.

All schools of Palm Beach County are members of the Southern Association of Elementary Education. Schools of the county may or may not participate in the program, that is, the program of improvement of your school. This may be done by a research study or by a total faculty.

East Lake School has chosen as its goal this year a continuation of a study program began last year. The problem of the East Lake School is the "Improving of Instruction at the East Lake School Through Continuing Planning in Grades 1-12." Mrs. M. H. Fields was helpful in pointing up to us the main steps of the Action Research Process. We will use this process to make a successful solution of our timely problem. She informed us of research studies in other schools of Florida.

Lake Shore PTA Adopts Program

Lake Shore Parent-Teacher Association has adopted a regular program for the year following their second meeting of the fall Sept. 21, according to newly-elected president, S. L. Teague, Sr. The Oct. 5 meeting will be about membership and a short playlet designed to stimulate interest in the program of PTA will be presented.

Theme for the November meeting will be "Parent Education and Family Life Education with a film slated to be shown."

"Character and Spiritual Education" will be the December theme with a panel discussion on top. Other monthly topics as announced by Teague are:

January: Health and Safety; February: Memorial Services, Founders' Day; March: Citizenship and Civic Responsibilities; April: workshop on school education; PTA scrapbook is the May subject; and June will be election of officers.

Officers serving with Teague this year are: Mrs. Suzie A. Williams, vice president; Mrs. Mary McDougle, secretary; Ruby Butts, assistant secretary; Mrs. M. M. Robinson, treasurer; Dr. S. Edwards, chaplain; and Oris Walker, parliamentarian.

The membership committee of the PTA plans for the month of October include a drive for membership for the 1959-60 year. The committee extends an invitation to the whole community to join the PTA. Participation offers opportunities for rewarding service, leadership experience, personal growth, pleasant, social contacts and good fellowship.

Roosevelt Next After 28-0 Win

Lake Shore High School's Bobcats took their second football contest of the season 28-0 from North Dade of Miami Friday night, and they looked sharper in doing it.

Fullback, passed for three touchdowns and ran a fourth in a stand-out performance. He passed to Willie McDonald who scampered into the end zone in a play that covered 45 yards in the first quarter. Minutes later Bobcat defenders bottled North Dade deep in their own territory and a bad pass from center rolled into the end zone. A North Dade player covered the ball for a safety.

Hubbly hit Earnest Sears late in the second half in another play that covered 40 yards then he kicked an extra point, and the half ended 15-0.

Midway in the third period an eight-yard pass and 40 yard run by Hughley and Larry Glover respectively made it 21-0 as the extra point try failed. After a drive to the North Dade 10 in the final quarter, Hughley raced in to score six more points. A pass play ended the scoring.

Roosevelt High School will be looking to avenge last year's 6-0 loss to the Bobcats when the Maroon Devils play host to the Cats at West Palm Beach Friday night.

It was reported that Samuel Marshall's charges didn't show anything outstanding as they posted their first win against Daytona last week 12-6.

Program committee members are Mrs. M. J. Evans, chairman; Miss L. C. Blatche and Mrs. H. Bythwood.

Negro Births

Joe and Ethel McClain, Belle Glade, announce the birth of a daughter Sept. 27. James and Irene Stanley, Belle Glade, announce the birth of a son Sept. 22. Hollis and Eunice Simmons, South Bay, announce the birth of a daughter Sept. 22.

The Old Timer

"The trouble with political jokes is that they often get elected to office."

fresh point of view...from Pontiac!

Another fresh one from Pontiac!

The inspired beauty of perfect proportion!

The precision control of Wide-Track Wheel Design!

The softer ride of supple suspension!

The wide choice of vigorous Tempest V-8 Engines, tailored to economy or high performance!

The car craftsmen who developed Wide-Track Wheels, the innovation that brought a new standard of roadability to the American passenger car, present another fresh original for 1960!

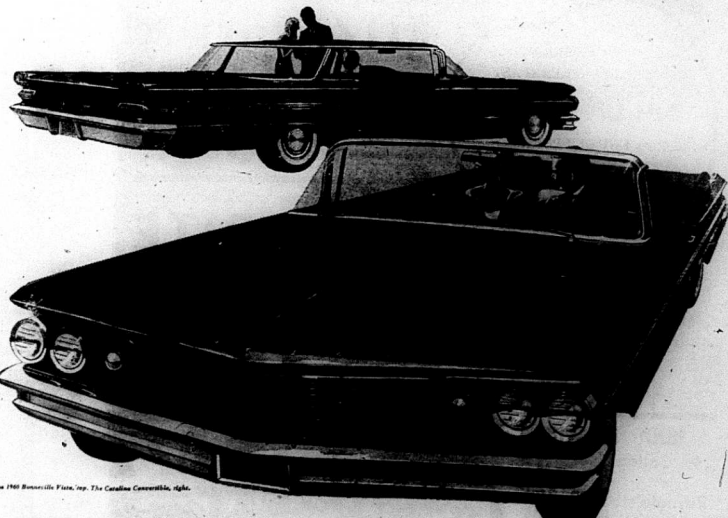

With clean, crisp lines they've composed a delightful rightness of form with unity and rhythm.

Into the proved principle of Wide-Track (wheels farther apart for a steadier stance) they've engineered an ingeniously improved suspension system. This combination of a firm foundation and supple suspension gives you flawless control, more skill in the fine art of driving, smooth stability, bump-yielding softness.

The power plant is typically Pontiac. A wide range of restless, ground-gaining power packages to choose from. All are husky V-8's, ranging from the frugal 425E economy engine that prefers regular grade gasoline to the fiery Tempest 425.

Haven't you been an admiring spectator of Pontiacs long enough? Isn't this your year to become a participant in Pontiac pleasure, to move up to Pontiac ownership, where the enjoyment is the fullest, where the point of view is the freshest?

Wide-Track Wheels give you swiftness, stability, solid comfort. You maneuver with skillful sureness, accurate control. It's the sweetest, most precise, most rewarding driving you've ever felt.

The 1960 Bonneville Pace, top. The Catalina convertible, right.

Shrinks Hemorrhoids Without Surgery
Stops Itch—Relieves Pain
 For the first time here is a new healing substance with the amazing ability to shrink hemorrhoids and to relieve pain—without surgery. After treatment, gently relieving pain, actual reduction of hemorrhoids. Most amazing of all—results were so thorough that hemorrhoids were no longer a problem! "Fibers have coagulated to a problem!"
 This healing substance (Bio-Dynex)—discovered by Dr. J. B. Bittman, is available in a suppository or ointment form called Preparation P. At all drug centers—money back guarantee.

Classes Begin At BG Swimming Pool For SCUBA Club's 16-Hour Course

SCUBA DIVING EQUIPMENT is being displayed by instructor Tom Stewart at the organizational meeting of the swimming pool SCUBA club. First class of the SCUBA (Self-Contained Underwater Breathing Apparatus) divers was held Tuesday night and will meet each Tuesday and Thursday night during the 16-hour course. Seen (l-r) are Carl Conn, Dr. David Rowe, Miss Cynthia Slater, Miss Margo Averill, Melrose Thompson, and Stewart.

Enthusiasts of underwater swimming can pick up some valuable tricks of the trade by joining the Belle Glade Municipal Swimming Pool SCUBA Club which got underway this week under the director of Tom Stewart, pool operator.

Seven SCUBA fans met last week to plan their participation, and for the first part of the class, anyway, the price of pool admission is all you'll pay to take part in this valuable training. Stewart says: "Later, of course, there'll be the expense of underwater breathing equipment. First class deal with familiarization of pool and equipment, mainly. The American Red Cross provides class procedure along with Stewart's own know-how. Stewart also reminded readers of the pool operation hours which are 9 a. m. to 5 p. m. Monday through Saturday and 1-5 p. m. Sundays.

South Bay School News

Neil Walker was elected president of the Student Council and Maria Gutierrez, vice president at a meeting held Tuesday morning at the South Bay School.

The South Bay PTA voted at its regular meeting to pay for three air conditioners for the first three grades, at a total cost of \$814, including installation. The group also voted to purchase lumber for the construction two Reading tables for second and third graders.

Each teacher was presented a corsage and at the close of the meeting refreshments were served by the hostesses.

S. Bay Garden Club Will Meet October 18

The South Bay Garden Club will hold its regular meeting Oct. 18 at the home of Mrs. H. C. Willis, according to Mrs. T. Roberts program chairman.

Beta Xi Chapter Attains Its Goal

The announcement that Beta Xi Chapter of Beta Sigma Phi had reached its goal as a three star chapter for last year was made at the first regular meeting held at the home of Mrs. Thomas P. Baker, Thursday night.

The news was received from the International Chapter. It is a goal that every chapter tries to achieve.

A letter was also read from Mrs. Zelta Hurd, chairman of Florida Beta Sigma Phi convention, stating the annual convention for next year will be held at Miami Beach June 3-4-5.

Following the business meeting an interesting program presented by Mrs. Charles Haines was enjoyed by the members.

Refreshments of lemon coffee, nuts and mints were served.

Your chances of getting there in one piece decrease for every mile per hour that your speedometer shows on increase. Slow down, buddy, LIVE!

Come in and we'll tell you all we know!

HOW BIG WILL THE ALL-NEW FORD FALCON BE? HOW MANY PEOPLE WILL IT CARRY? HOW ABOUT POWER STEERING? TO START WITH, IN THE NEW-Size Ford—the Falcon—you see but never "do without!" You get modern, fine-car styling, six-power steering and comfort, a car that's born and bred for the American road!

LET'S TALK ABOUT STYLING FIRST! You'll be amazed by the Falcon's beauty. No "suburban" other cars in this field, but sleek, European flair in beautifully proportioned style. "Wide open" visibility all around... it's a water-cooled engine which permits use of a water-pump drive system, never robs you of gas mileage. You can get an automatic transmission in the Falcon, too!

LET'S TALK PERFORMANCE! The all-new six-cylinder engine's up front for greater safety and stability... will deliver up to 100 miles per gallon of regular gas... has a water-cooled engine which permits use of a water-pump drive system, never robs you of gas mileage. You can get an automatic transmission in the Falcon, too!

LET'S TALK ABOUT THE FALCON'S FALCON EXPERIENCE NOW, B.E.J. Topping off 13 years of millions of miles of road development, a fleet of new Falcons is traveling every mile of U.S. highway to prove its "30-miles-per-gallon" average... and to prove it takes to the roads you

AND NOW... ABOUT THE FALCON'S FALCON EXPERIENCE NOW, B.E.J. Topping off 13 years of millions of miles of road development, a fleet of new Falcons is traveling every mile of U.S. highway to prove its "30-miles-per-gallon" average... and to prove it takes to the roads you

D. C. T. Elects Grady O'Farrell

Grady O'Farrell was elected president of the D. C. T. Club at the meeting of the group held Sept. 23. Others officers elected were vice president, Jerry Rhymes; secretary, Mary Goforth; treasurer, Ronnie Bowen; reporter, Mark Kersey; chairman of entertainment, committee, Carolyn Markham.

The club recently enjoyed an outdoor luncheon try at Carolyn Markham's home. All were present and had an enjoyable time.

Members of the D. C. T. Club are Jimmy Poncho, Jane Betts, Diane Williams, Barbara Kersey, Ronnie Bowen, Mary Goforth, Griffin Bell, Hannah Powell, Billy Schoenfeld, Ray Tyler, Carolyn Markham, Jerry Rhymes, Grady O'Farrell. Wayne Fortenberry is co-ordinator.

Mrs. Nash Speaks At Sorority Meet

Mrs. Rosa Nash presented the program topic "The Sense of Touch" at the meeting of Beta Gamma Chapter of Beta Sigma Phi held at her home Thursday evening. After an interesting talk on the subject members were asked to participate in a blindfold contest. Various objects to identify by touch alone were used and prize winners were Mrs. J. E. Williams and Mrs. Lorenzo Connell.

Yearbooks using the theme "Treasure Chest" were distributed as listed as nautical terms, which she designed were distributed by Mrs. Connell.

The goal of the membership drive this year is to have a total of over twelve million persons sign P. T. A. membership cards. Emphasis is also being placed on swelling the ranks with a large increase in male membership.

Mrs. M. E. Ludlow, chairman of Belle Glade Parent-Teacher Association meeting, has announced that the drive here has been mapped out and is slated to get underway today. The survey will continue thru October.

Governor LeRoy Collins is also proclaiming October as Parent-Teacher Enrollment Month in Florida. In order to emphasize the importance of constant and active support of the parent-teacher movement in the state by joining and participating in the activities of the local P. T. A.

Membership in 1952 local units in Florida last year amounted to 322,859 or about one out of every ten persons living in the Sunshine state. This compares with over 43,000 local units and more than 11,000,000 members throughout the nation, including the District of Columbia and in the European Congress of American Parents and Teachers, which is composed of P. T. A. in American military bases in Europe, the United Kingdom, North Africa and the Middle East.

August Turnpike Use Seen Large

If you can visualize a string of automobiles lined bumper-to-bumper extending from Ft. Lauderdale to Philadelphia you will have an idea of the Florida Turnpike during August. While traffic figures aren't complete, turnpike officials say the August car total should hit 400,000. This figure is over 25 per cent above the total for the same month last year.

"We're very pleased," said Al Hinton, the turnpike's public relations director. "Our safety record is one of the best in the country also. Our fatality rate is 1.5 per cent for every 100 million miles of traffic. The national average is 2.8 per cent."

Located in her private home 3 miles North of Stuart, Florida, on Hwy. No. 1. Look for the Indian Head sign and the name in front of her house. Open 8 a. m. to 11 p. m. daily and Sunday. No appointment necessary.

The Lake Harbor Junior Red Cross Meets

The Lake Harbor Junior Red Cross met with other Clubs at South Bay School on Thursday, Sept. 24th. South Bay Junior Red Cross was host and served cookies and punch. Then a nice program of talent was presented.

Those attending from Lake Harbor were Cheryl Smith, Juanita Henderson, Christine MacDonald, Molly Thomas, Lynn Conley, Billy MacDonald, Martin Lynn Thomas, Linda Newman, Mildred MacDonald and Mrs. C. A. Thomas. The next meeting will be held at Canal Point.

Officer Joyce is Guest At BG Civitan Meeting

Florida Highway Patrol Safety Officer Tom Joyce was guest speaker at the regular weekly luncheon meeting of the Belle Glade Civitan Club at Ray's Smoke House Thursday.

Officer Joyce discussed some of the new state laws about highways passed by the last Florida Legislature. These laws are now being enforced.

The accident rate has decreased over last year, he said. Radar and other mechanical devices are now being used to determine speeds of vehicles, he pointed out. Officer Joyce urged drivers to observe the speed laws.

Next week Mrs. L. Myers, Royal Palm School for Exceptional Children, will be guest speaker. She will show movies and discuss the school's activities.

Social Security Officer Will Make These Visits

A representative from the Social Security Administration's district office will visit various points in the Glades during the month of October to give information and assistance covering the old-age, disability and survivors insurance programs of the Social Security act for those people who cannot come to the district office at West Palm Beach.

Consult the following information for dates, places and times: Belle Glade, 2nd floor, City Hall on Oct. 1, 15, 29, Nov. 12 and Dec. 10 and 21 at 9:30 each day.

Clewiston, Personnel Office, U. S. Sugar Corp. on Oct. 21, Nov. 18 and Dec. 16.

Moore Haven, Courthouse, on Oct. 21, Nov. 18 and Dec. 16.

Pahokee, 2nd floor, City Hall on Oct. 7, Nov. 4, Dec. 2 and 30.

This is the slow down and live season. Where are you heading—down the avenue of safety or toward the graveyard?

Uncle Sam's New Data Book Ready

Uncle Sam's annual contribution to factfinders, quiz hounds, computers, and disputer, the Statistical Abstract of the United States, 1959 edition, is off the press, announced Marvin A. Leonard, Manager of the Department of Commerce Miami Office.

Compiled and edited by the Bureau of the Census, U. S. Department of Commerce, the new issue of the Statistical Abstract contains the latest information about U. S. citizens and their activities. Over half a million facts reflecting the social, economic, and political life of America are to be found in the 1,054 pages, 1,227 tables and 48 charts, including data on population, education, labor, income, banking and finance, business enterprise, transportation, agriculture, construction foreign commerce and many other subjects. Among them is a new group of tables devoted to national scientific development in space research. Statisticians were furnished by 88 government agencies and 59 private firms and research organizations.

This handy and comprehensive data digest is available at \$3.50 a copy from the Department of Commerce Field Office at 115 Post Office Building, Miami.

House Approves Bill For Everglades Park

Congressman Paul G. Rogers today announced passage by the House of S. 3390, a bill authorizing an exchange of lands between the Federal Government and the Collier Corporation of Everglades, Florida for the purpose of enabling administrators of the Everglades National Park to engage in unobstructed travel between property and adjacent lands.

An 11 acre tract near Everglades donated by the Collier family for inclusion in the Park has not been utilized due to the construction of a causeway which hampers free passage-way to boat traffic. This bill authorizes the reconveyance of

the property back to the Collier Corporation in exchange for another parcel of property which will not be thus affected.

The measure, already approved by the Senate, now goes to the President for his signature.

ed. This exchange will enable Park authorities to engage in travel necessary to proper administration of Park facilities.

Best green celery for shipping!

Here are celery varieties specially developed and tested for shipping from Florida—outstanding for color, compactness, shape, and keeping qualities!

Tall Utah No. 52-70 is a Ferry-Morse development that is very compact and tightly shingled with high rib count. Thick, smooth ribs are medium dark green. Highly resistant to Brown Check.

Compak 1 is similar in type to Tall Utah 52-70, but has deeper color, holds better, and does not blanch as fast. It is recommended for early harvest in cool weather. Plant slightly shorter Compak 2 for harvest in warmer weather. Resistant to Brown Check and to brown deficiency.

Emerald is a new, early, blight resistant variety that is intermediate in type between Summer Pascal and Utah. It is especially suited for maturity during warm weather.

Order now from your Ferry-Morse representative!

Troy State Classmates Honor Marsha Walker

Miss Marsha Walker, student of Troy State College, Troy, Ala., was feted at a surprise birthday party last Friday night by Miss Donna Mae Armstrong and other classmates.

The traditional birthday cake was served with punch and the honoree was presented a lovely bracelet with her name engraved on it. Marsha was very pleased with the gift and

W. A. Hospital in Coral Gables. W. C. Allen and his nephew Joe Hester spent Saturday in Miami with Mr. Allen's sister, Mrs. J. S. Kimberly.

Olen Groves honored her husband Monday night on his birthday with a dinner. Guests were his mother Mrs. W. Groves, Mr. and Mrs. Lee Groves, Mr. and Mrs. Paul Jackson and family, Mr. and Mrs. C. P. Regier and family, Lamar Groves, Gwen and Eddie Mott.

W. R. Coppedge was called to Williston Thursday. His daughter Mrs. Corrie Bell was injured in a car accident near Ocala and is in a hospital in Ocala with a broken leg and other injuries. Mr. Coppedge makes his home with his sister and brother-in-law, Mr. and Mrs. W. N. Starling of South Bay.

Mr. and Mrs. A. H. Fleming have returned to their home at Inverness after spending several days with her brother and sister-in-law, Mr. and Mrs. Albert Snyder.

Mrs. W. B. Gurganious honored her husband Saturday night at their home in South Bay with a birthday dinner. Guests were: Mrs. Emma Norris of New Smyrna Beach, Mr. and Mrs. Sam Norris, Sr., Merrell Norris of West Palm Beach, Miss Judy Meeks, Mr. and Mrs. Luther Martin, Miss Gail Martin and Troy Martin, James and Martha Gurganious. The Norris families were weekend guests.

Mr. and Mrs. Albert Snyder had as their Sunday guests Mayor and Mrs. Paul Davidson and son Randy of Belle Glade.

Mr. and Mrs. F. W. Kelly, Jr. and children, Brenda, and Kenney, spent Sunday in West Palm Beach with his mother, Mrs. Anna Kelly.

Mrs. Roy Lovell of South Bay and sister Mrs. Viola Dunham and Mrs. M. J. Dugger both of Greenacres, were called to Osprey Tuesday by the death of their aunt, Mrs. Carrie Guess. The funeral was Thursday at Osprey.

South Bay Serviceman Escort On Nitika Tour

Dr. Michael (Mickey) Herring, son of Mr. and Mrs. Melvin Herring from South Bay residents now residing in Cleveland, was one of the 20 military servicemen chosen to escort Soviet Premier Nikita S. Khrushchev on his tour of the Western States while in this country.

Dr. Herring a native of South Bay is based while in service in Chicago, Ill. He is a chiropractor and plans to make a trip to Greenville, Fla., during the second week in November to take a basic science test. His father will go up to visit with his son during that time.

On his release from service Dr. Herring is planning on setting up business in Florida. His grandparents are Mr. and Mrs. Julius Herring of Cleveland.

OCT. 1, 1959 THE HERALD, Belle Glade, Florida Page 11

thoughtfulness of the girls. She and Donna like college life very much at Troy State.

Marsha is the daughter of Mr. and Mrs. H. B. Walker of South Bay and Donna is the daughter of Mr. and Mrs. Harvey Armstrong.

"Our ORTHO Fieldman's know-how helped me produce top quality crops"

"The field service that's provided us growers by ORTHO appeals to me most," says Fletcher Lett, shown above, left, inspecting a plot of young lima beans with ORTHO Fieldman Webster Carson. Mr. Lett continues: "Our ORTHO Fieldman's know-how has helped me produce top quality vegetables and citrus."

For higher yields, better prices, protect your crops with ORTHO. This report is just one of many received from leading Florida growers who have found that ORTHO products help them grow better quality crops. And, when you buy ORTHO products, all the personal, on-your-ground technical advice and expert services of your ORTHO Fieldman are provided without any extra charge.

He's A Real Talker

Without considering the merits politically or personally of our city's mayor for the past year, we'd like to nominate Robert W. Lanier as one of the "talking-est" mayors we've ever had. Not that the other mayors didn't get a word in once in awhile—we've had some others with vocal talents—when it was necessary for a mayor to say something. Mayor Lanier has a way of "making a federal case out of it" as our younger generation might put it. On several occasions the mayor trekked out of his way to put in a good word for Belle Glade and the Glades in general. On more than one speaking engagement, his whimsical delivery of the language was thought-provoking for his audience. The mayor's efforts proved one thing: it isn't too difficult to put in a good word for the area once in awhile. It just set a trend, we think, if more folks loosened up their jaw bones and talked about the area to friends, visitors, tourists and the people on the coast who aren't always well-informed about the Gladeslands.

Let's all make it a point to know our area, talk about it to others and add something to the pot which makes our community grow.

Uncle Dan From Democrat River Says

Dear Mister Editor:
 A feller in town was telling me yesterday he's got a teen age grandson that claims to be in a "shook up" condition most of the time. This feller says he can spot the symptoms of the disease in his grandson real easy, but he ain't got no idea what causes it. The boy told him that teen agers usually gits shook up following a "delightful disaster."
 "I don't know what's going to happen to this country with such body-hatch talk going on amongst our young-uns. When taxes and inflation finally git 'em in the next generation, I reckon they'll call it a "splendid panic" or "comfortable starvation."

If delightful disasters can git a feller shook up, so can the news items lately has been mostly of the shook up variety.

For instance, I see where a New York columnist says the Army now owns 8,000 miles of rope, enough to stretch across the country twice. They bought it during the last war and now they can't use it and they can't sell it. They're paying \$200,000 a year for storage space on it. If that feller will dig a little deeper, he'll probably find about 30,000 miles of red tape tied around the rope. And he'll probably uncover a couple influential politicians that's in the rope business.

It ain't been too long ago that I saw where one Government agency bought 50 million pounds of some sort of surplus material for 87 cent a pound and sold it to the Army for 35 cent a lb. I reckon the War Department was mighty glad to git it whole sale like that. The fact that the taxpayers lost 41 million dollars on the deal don't worry them fellers in Washington.

And some bureaucratic, talking on the radio last night about a new tax plan, said the "new income tax would apply the increase to what the taxpayer had left over after paying the current tax." The best I can make out of that kind of talk, Mister Editor, is that they've de-stuffed your shirts and pants and now they're going after what's left, which is mostly your underwear.

But things could be worse, Mister Editor, I see where the

U. S. Department of Agriculture says a good wife is worth \$89,000 to a rancher or farmer. The piece didn't deduct nothing for depreciation or upkeep and I ain't starting no argument with my old lady on the subject. And a piece here says the Retail Clothiers Association is "festering jet blues, atomic greys, rocket browns, and cosmic greens" for men's clothes this winter. It was mighty thoughtful of 'em not to include "calamity black."

Yours truly,
 Uncle Dan

Proclamation

Designating The Week of October 9, 1959 as "Emergencies Don't Wait Week."

Whereas, each year more than five million Americans of all ages are killed or severely injured by accidents in the home, and

Whereas, these fatalities may frequently be prevented with prompt attention and proper First-Aid treatment; and

Whereas, effective First-Aid can only be administered if the essential equipment is available; and

Whereas, it is the duty of every citizen to contribute to his own and family's safety, by being fully prepared to deal with these home accidents; and

Whereas, these "emergencies don't wait" for the home to be prepared to meet them;

I, Mayor R. W. Lanier, by the authority vested in me by virtue of my office, do hereby proclaim the week of Oct. 9, 1959 to be "EMERGENCIES DON'T WAIT WEEK" and respectfully urge all citizens of Belle Glade not only to take note of the importance of First-Aid practices, but to replenish their supplies with essential items commonly used in First-Aid emergencies, since recognizing and being able to administer First-Aid promptly can contribute to the well-being of every citizen of our state and of the nation, as a whole.

Robert W. Lanier

Interest On U. S. Bonds Gets Hike By Congress Committee Explains

Never before have United States Savings Bonds been so attractive to investors and small savers alike, Edwin M. Lively, chairman of the Belle Glade Savings Bonds committee, said this week in commenting on the one-half per cent increase in interest rates on old and new Series E and H Savings Bonds.

"Forty million people automatically benefit from the recent legislation passed by Congress," Lively said, "because that many hold outstanding bonds in the amount of \$42.6 billion."

The new law does two things: (1) it provides that all Savings Bonds bought on and after July 1 draw 3 3/4 per cent interest when held to maturity, and (2) it increases by at least one-half of one per cent the interest return on all outstanding E and H Bonds, regardless of their age, for the period June 1, 1959 to their maturity. The Treasury has promised a 10-year extension privilege for all E Bonds, both old and new.

HAPPY BIRTHDAY GREETINGS

Today: Larry Royal, Syd Smith, III
 Oct. 3: Howell McCall, Bruce Williams.
 Oct. 4: Mrs. R. Y. Creech, Jr., Peter Kirchman.
 Oct. 5: Pamela Jean Bushin.
 Oct. 7: Nancy Goggins, Paula Richey.

\$25.1 Million Received By State

Florida received a record \$25,157,459 as a result of pari-mutuel operations during the 1958-59 season, according to a report by the State Racing Commission to Gov. LeRoy Collins.

Hialeah horse track was the largest individual producer with \$6,069,827.

The report, signed by Commission Chairman John R. Ring and members C. Sweet Smith, Jr., Warren H. Toole, Roger J. Waybright and Secretary J. D. Johnson, revealed that the four flat horse tracks: Hialeah, Tropical, Gulfstream and Sunshine Park returned \$13,724,436 in revenue to the state.

Each of Florida's 67 counties received a direct grant of \$178,300 while the Old Age Assistance Fund benefited to the amount of \$12,935,692.

PRATTLE & TATTLE

IT'S THE MAILMAN! WONDER IF THERE'S A LETTER.

DID YOU SAY YOUR DOG'S BARK WAS WORSE THAN HIS BITE?

YES.

THEN FOR PETE'S SAKE DON'T LET HIM BARK, HE JUST BIT ME!

THE GIRL FRIENDS

AND ABOUT MY SALARY, MR. CECIL?

SUPPOSE WE CALL IT \$5,000 A WEEK?

ALL RIGHT-

OF COURSE YOU UNDERSTAND-

THE \$5,000 IS MERELY WHAT WE CALL IT - YOU'LL GET \$500!

FLORIDA NATIONAL BANK AT BELLE GLADE
